Right Revenue is a total revenue cycle management (RCM) company that offers Medical Coding and all related Billing services to our clients, including services for medical treatment facilities, hospitals, and other medical offices.

Our RCM specialists are very well versed with the changing nature of the regulations and adapt their work accordingly, ensuring a quality product for our clients. In addition to offering a complete RCM solution, Right Revenue also provides stand-alone coding or billing-only services for both the facility and professional components of hospital services.

Improve your Business with us

1. Team of certified Professionals
2. Cleaner claims and lesser denials
3. Complete and optimal reimbursement
4. Process driven and Standardized work flow
5. Cost Advantage and Time Advantage
6. Enhanced Compliance
7. Skill Flexibility
8. Customized Report Generation
9. Continuous Process Refinement

Revenue Cycle Management

Right Revenue's RCM Services enable our clients to optimize their revenue and receive maximum reimbursements for all the rendered services keeping in mind the latest regulations and requirements the current healthcare delivery system demands.

Medical Coding

Right Revenue offers a variety of coding services to clients, including remote coding services for medical treatment facilities, hospitals, and other medical offices. These services, including hospital coding and physician coding services, are performed by skilled, professional certified coding specialists who possess the knowledge, experience and skills to handle your coding requirements quickly and efficiently.

Medical Billing Services

Optimize your revenue and maximize reimbursements with our highly efficient Medical Billing Services. With a decade of Medical Billing experience our team is equipped with the operational excellence and latest technology to cater to your Billing Operations.

Coding Review and Audit

Adhering to effective and efficient billing processes and accurate medical coding and aligning to relevant compliances is crucial to optimize reimbursement and/or revenue. Right Revenue's Medical Billing and Coding Audit, Monitoring and Consulting Services offers our value-added consulting services to our clients.

HCC Coding Services

Optimize your revenue and maximize reimbursements with our highly efficient Medical Billing Services. With a decade of Medical Billing experience our team is equipped with the operational excellence and latest technology to cater to your Billing Operations.

Free Consultation

Through our free “discovery” services, Right Revenue will help you understand any and all inefficiencies by engaging in an in-depth analysis of various aspects of your RCM processes.
